

Next Generation MyCare Program Rollout

The Next Generation MyCare program was implemented in two phases to allow the Ohio Department of Medicaid (ODM) to partner with all stakeholders to prepare for the program expansion and disrupt members as little as possible. In the program, the Next Generation MyCare plans partner with Area Agencies on Aging (AAA) to serve members. AAAs are regional agencies that work with a member’s plan to support their care. The rollout schedule is planned around the AAA regions and the counties they serve.
