2026 Apple Health Plans Value-Added Benefits Comparison Chart

Value-Added Benefits (VAB) offer additional supports not covered by Apple Health. VABs are offered to clients by their managed care plan, at no cost.

Some managed care plans offer virtual or in-person coordination support to help you access these and other benefits. Not all plans are available in all counties or for all Apple Health programs. Click the plan webpages under their names for a complete list of benefits offered by plan. Common VABs are found in the table below.
